Dock Box

Introducing our exclusive LakeEze® Dock Box, a **pinnacle of dockside storage luxury**. Crafted from **premium materials**, this lockable storage solution not only adds an element of beauty and elegance to your dock but also stands as a testament to **unrivalled durability and functionality**.

Key Features:

Secure, Lockable Storage

Discover our custom dock boxes, offering 24 cubic feet of secure, lockable storage. Say goodbye to clutter and keep your belongings safe and organized!

Customized to Match Your Style

Each of our dock boxes is custom-made and specifically tailored to match your preferences and existing dock aesthetics.

- ◆ Choose between our classic bare aluminum finish or our signature Burnished Slate powder-coated finish.
- ◆ Select from a variety of premium, maintenance-free decking options, elevating not only durability, but also the aesthetics of your dock area.
- ◆ Each Dock Box comes with a Sunbrella padded cover, built to withstand fading and water, ensuring your items stay protected. Make it uniquely yours by choosing the cushion color that suits your style and dock aesthetics.

Built-in Bottle Opener

For added convenience, our dock boxes feature a built-in bottle opener - the perfect accessory for your dockside gatherings.
